Tsukiji NAO presents!

月光歌劇団

Well

I know that, but just imagine!!

What would you do if she told you she were in love with you!?

That would never happen...
She's the most popular dancer, right?

I wish she were my girlfriend~

She's so pretty!!

You're all being delusional

You are, too

So are you!!

You guys are acting delusional ~!!

Right?

I'd go out with her, of course!!

Right~

It's the
"Blooming
Chrysanthemum"!!

It's
difficult
to do

A dance that
makes the ribbons
on the costume
look like chrysanthemum petals

"Blooming
Chrysanthemum"?

Listen,
Shiro

Well...

That's rare,
it's a girls
dance

Just a
little

Oh?
You've
done it
before?

Learn every
dance that
you can

I'll teach
them to you

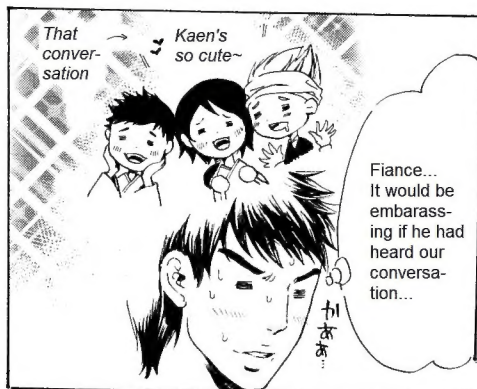

Our
current
weapon
is charm

I learned
it for no
particular
reason...

Anyway,
Kaen's
really
good

I see...

What
!?

Yes!! Please!
Kaen has been
kidnapped!!

Oh,
you're an
officer!?

What's the
matter?

We're officers

Can we be
of help?

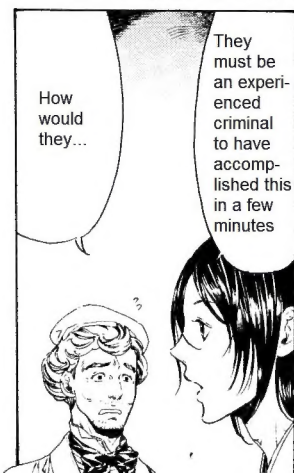

Yes, it
happened in
a matter of
minutes...

You're
saying
that Kaen
disappear-
ed from her
changing
room?

Now,
then...

How
would
they...

They
must be
an experi-
enced
criminal
to have
accompl-
ished this
in a few
minutes

It looks like they
entered through
the window and
took Kaen

They left
muddy
footprints
in the room

What man?

Oh, that's right...

Don't you think that man might have something to do with this, Director?

Calling me "old" isn't very nice

Just as our old poster girl says!

Listen to Mimari!!

He sends love letters without a return address every day

A fan who's crazy about Kaen

His name is "Anju", but I've never seen his face before

Here

They're strange...

Yes, they come so often...

Hey, get those letters

Do you still have those letters?

Right

"We love each other

We are bound to be together..."

"I believe in your good will"

This came yesterday...

I don't know where he got the idea

No, he's delusional

Kaen didn't care about her fans

They're in love?

Who knows...

We've also gotten weird letters from other guys

"I will make you my bride soon

Wait for me"

He intended to kidnap her!?"

"I want to see your Blooming Chrysanthemum every day

You and I should become one flower"

Ignore them!!

She didn't seem to care...

I can't worry about that

The letters from Anju were always creepy...

I told Kaen, but...

What?

He was interested in the Chrysanthemum Dance and said he would marry Kaen soon...

I just remembered...

The man sitting next to me

Something rotten

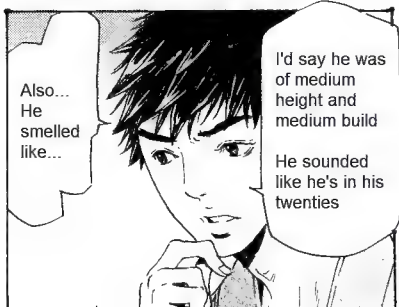

I didn't get a good look...

The theater was dark

What did he look like?!

He might have been Anju

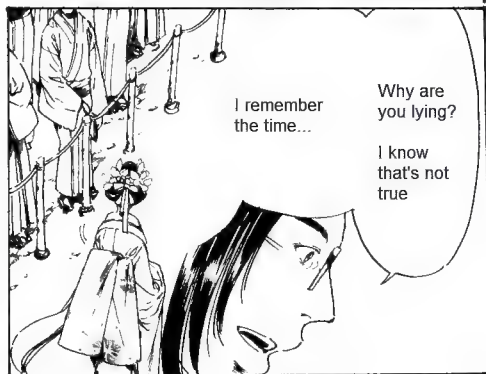

Also... He smelled like...

I'd say he was of medium height and medium build

He sounded like he's in his twenties

You recognized me...

So you picked up my wallet, right!?

I told you what I look like in the letters, didn't I?

I said I was the one with the glasses and hat...

And...

You don't have to pretend

Huh!?

What the hell!?

It was a coincidence!!

I just picked up a wallet that had fallen in front of me!!

I'd forgotten that had even happened!!

It isn't like you

The way you've been talking

You're kind and graceful

I know you

Not like me?

He's not listening
to anything I say!!

It's no use

He's delusional

I see...

This is
textbook

The
delusional
perpetrator

Sao-
tome
Home

They're in
love with a
imaginary
person

Well...
To say
the least

What
type of
criminal
is that?

Anju's
probably...

Yes... But
not quite

Imaginary?
Kaen is a
real person

And created
a version of
her in his
delusions

Added
traits that
he likes in
women

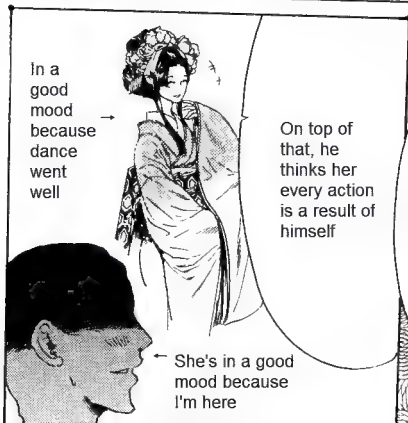

Taken what he
thinks of her

The more the
target resists
the more the
criminal insists

No...

Wouldn't he
realize the
truth if he
just talked
to her?

That's
crazy...

In a
good
mood
because
dance
went
well

On top of
that, he
thinks her
every action
is a result of
himself

She's in a good
mood because
I'm here

He'll think of
obstacles as
challenges

He'll try to
overcome her
opposition

Anju won't
listen to
anything
Kaen says

In other words...

He'll reply
"you don't
really think
that"

He so strongly
believes in his
delusions

He'll ignore what
she actually tells
him

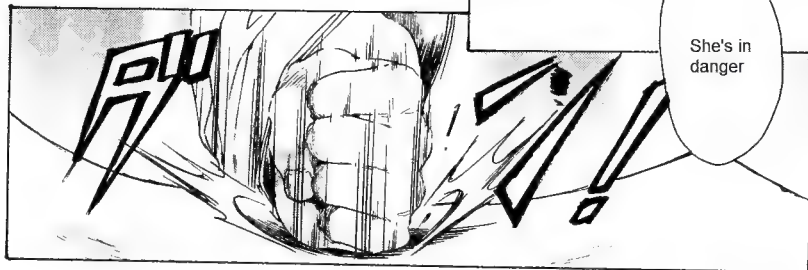

If Kaen
doesn't do
what
he wants...

This
criminal is
the forceful
type

If a
man
like
that
has
taken
Kaen...

What will
happen to
her?

She's in danger

But you're sensitive and you want someone to take care of you however you're shy around men

You're young but you're responsible and you take care of your parents

I know you...

Why do you keep denying?

You say take care of my parents

You mean the story of my upbringing?

That I started dancing to provide for them

It's a lie!!

The Director made that up

Hahaha!!

Are you stupid!?

You don't know anything about me!!

What?

I'm
actually
25

Since we're on
the subject,
they say I'm
16 years old

Surprised?

A lot of artists lie
about their age

That can't be!!

25 is too...

In fact

I'm not a virgin

Haven't been
for a long time

Also

There aren't
many men in
the theater
group who I
haven't slept
with....

It looks like you need to be taught a lesson...

Not lying...

S... Stop...

No...

What are you going to do!?

!?

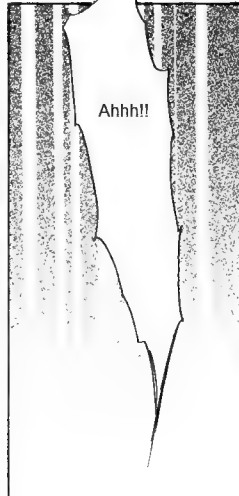

Make her understand...

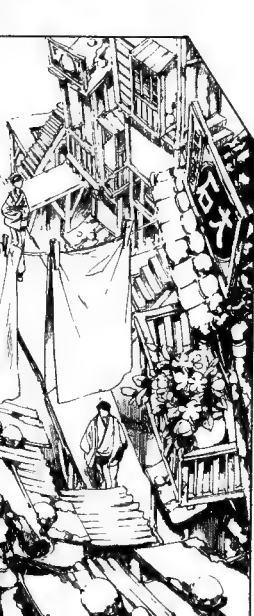

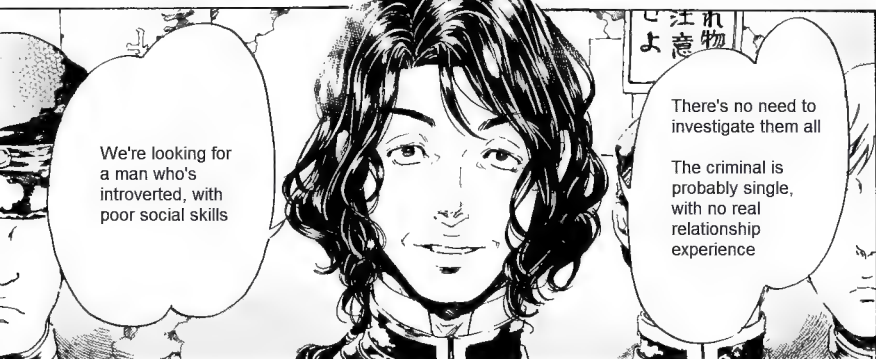

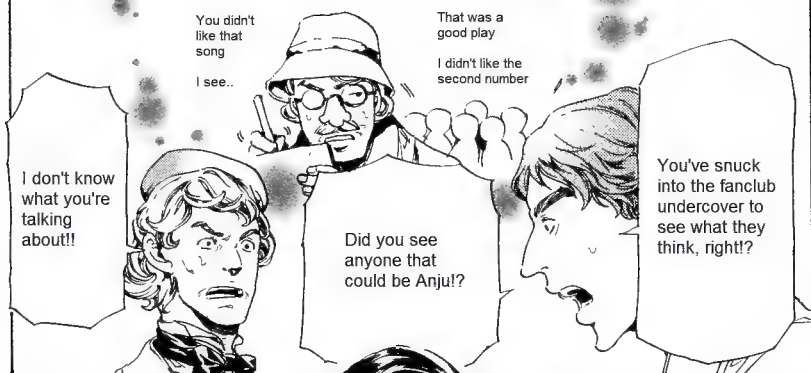

We have no time to lose

The situation is serious

Ahhh!!

I've already
gotten
involved...

Besides,
criminals like
this make
me sick...

You shouldn't
be here...

This is an
official
investigation

If Kaen's being
hidden she won't
be easy to find...

Damn, it...
We're not
getting
anywhere

You won't
believe this!!

Kaen wasn't
just popular
with men...

Sabu-
rota!

Kojiro!!
We've
got new
information...

Will you
accompany
me to the
houses of
the men on
the list?

Officer,
I have
an idea...

We won't
make any
progress if
we continue
like this...

Chrys-
an-
them
...

Her speci-
alty is the
Blooming
Chrysan-
themum

This is our
newest
member...

You can
do the
Blooming
Chrysan-
themum?

But she's
beautiful

She's
tall for
a girl

Would you like
to see it?

She can show if
you have some
room

.....

It should
be fine...

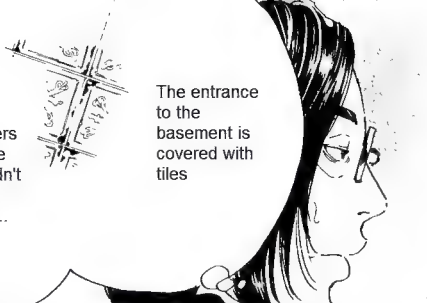

This way

I would love
to see it...

The officers
who came
earlier didn't
find
anything...

The entrance
to the
basement is
covered with
tiles

Thank
you

This is
the
largest
room

You can
dance in
here

That
thing is
watching
Kaen

She
shouldn't
make
any
sound

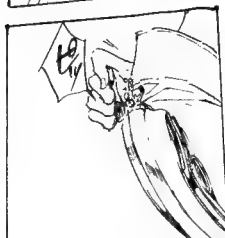

We present
to you the
Chrysanthemum Dance

Oh!!

How...

Beautiful!!

It's even
better than
Kaen's!!

Amazing!!

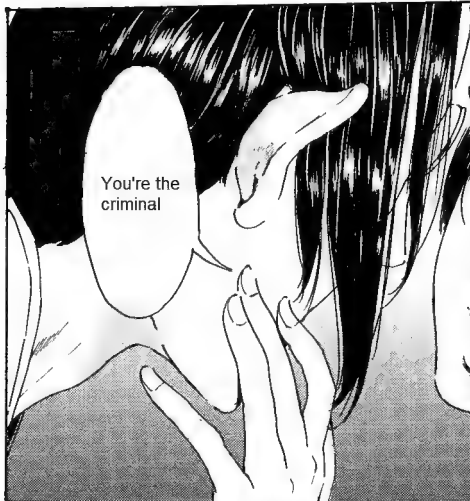

I've never seen
such natural
movement

"You and I
should
become
one flower",
right?

You're my
true angel!!

You're the
criminal

Those
senseless
words
mean

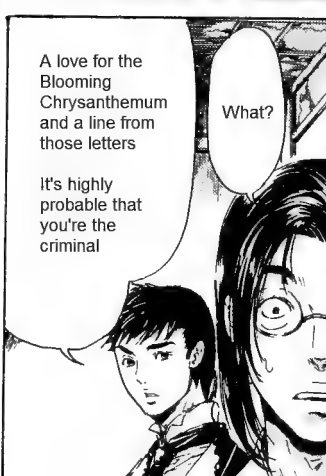

Your
voice...

You're
a boy?

I also smell
something rotten

Where have you
hidden Kaen?

A love for the
Blooming
Chrysanthemum
and a line from
those letters

It's highly
probable that
you're the
criminal

What?

We will
find her

Confess to
your crime!!

There's no
use in lying

If we search
your entire
house

Women aren't
tools for your
fantasies

Crime!?

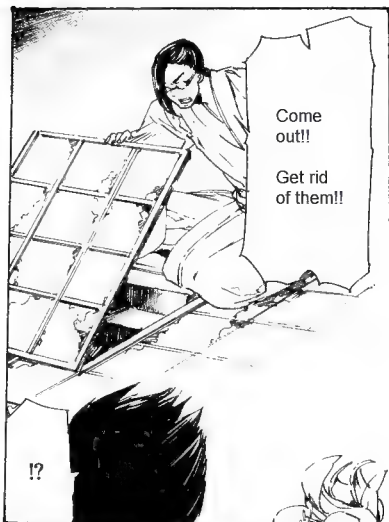

What
crime?!

I want to
be with her
because I
love her!!

You held her
against her will
because you
wanted her

That's not love

What
have you
done to
him!?

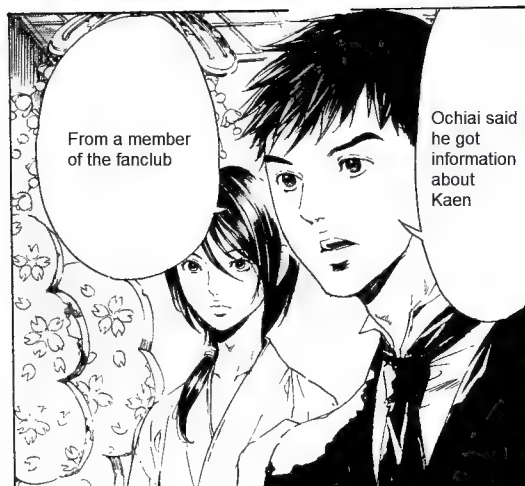

Shiro-
kun!!

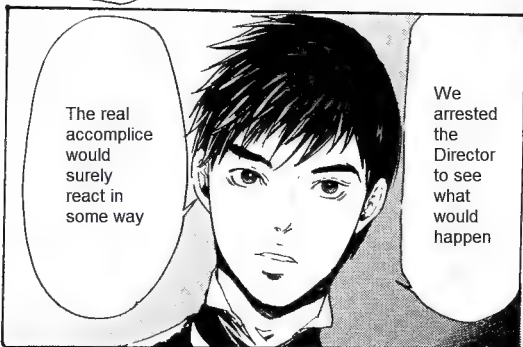

We got Ochiai, but he had an accomplice...

What
are
you
say-
ing?

You used
Ochiai to
do this

You tried to
make Kaen
afraid of men

You've
scarred
Kaen-
san for
life!!

Only you
didn't
know how
dangerous
Ochiai
really was

You wanted
to rescue her
soon after
scaring her

You
provided
us with
important
leads

You only
like men...

I didn't
mean for
you to get
hurt...

No...

Is this
true,
Mimari-
san...?

I wanted
you....

.....
!!

I thought I
could use
him...

When I
learned
that he
was Anju

I met
him...

When I
snuck into
the fanclub
undercover
to see what
they think

Why did
you do that
to me!?

If you
love me

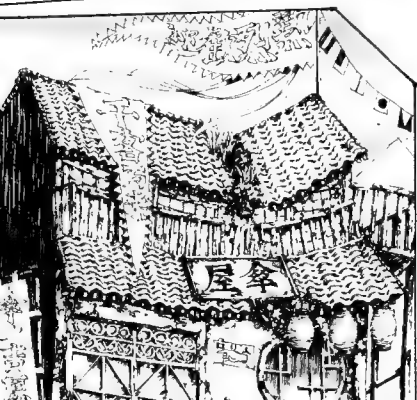

Please
believe me!!

I love you!!

Yourself!!

The one you
love most is

No need...

Thanks for your help with this case

It's a complicated thing...

They say "love makes people crazy"

I'd like to forget about that

Right...

.....!!!

Your performance was amazing

Saburota and the others were all speechless

They said they want to meet the person he bit...

Hello

They were very interested

Anyway, I told my superiors about the rotting man

The Twenty Fifth Story

He wouldn't do something like that

I heard you were bitten by that man

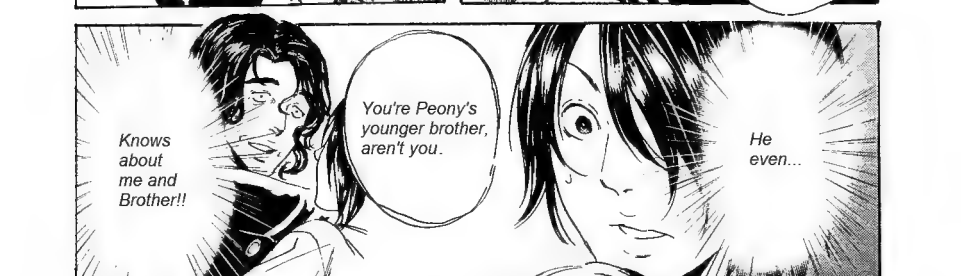

You should know

Knows about our clan!!

He...

Knows about me and Brother!!

You're Peony's younger brother, aren't you.

He even...

He wanted your flesh and blood to heal, didn't he?

That he was weakened

He wouldn't do something like that

battle when
I infiltrated

boy

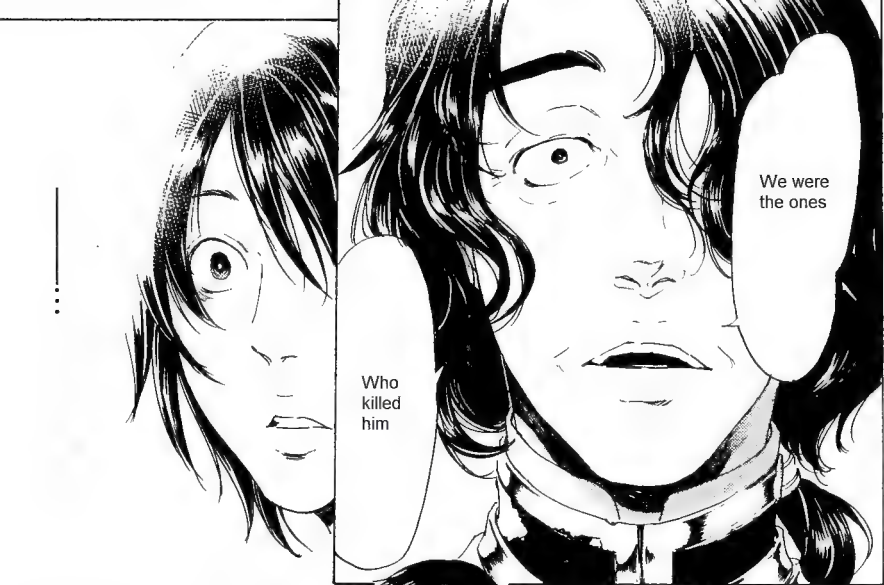

He was
called
Peony,
wasn't

Who

him

I don't know
what you're
talking about,
but you have
the wrong
person!!

Stop it,
Saotome-san!!

What are you
doing!?

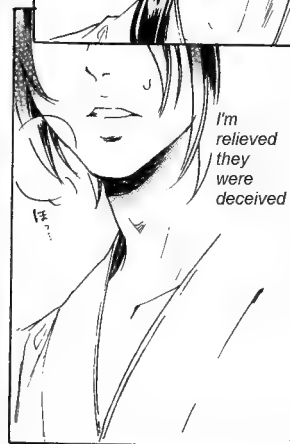

That's
enough
from
you!!

Stay out of
it, Kojiro!!

I can't
stand by
and watch
this!!

Shiro-kun's
brother is alive
and he has a
different name!!

Killed Brother
that
brutal
way?

They were
the ones
who...

He rarely
gets mad

Let's not
linger any
longer,
Ruri-kun

I can't
believe
you would
do this!!

They did
that to
Brother?

What's
wrong,
Shiro
-kun?

Those
two...

Bye~

That boy was
surprisingly
straightforward

It's almost suspicious

Nothing we said angered or frightened him

It's as you say

There were no inconsistencies in his expressions

He was confused from start to end like a normal child

His brother is alive and has a different name

Kojiro said

Because

We also know that he's not White Lily

Call anyone else "Brother"

He wouldn't

We killed Peony for sure

If that kid was really White Lily...

That's right

White Lily and Peony were very close

It's inconceivable that he would

Join with someone else after Peony died

That's right

Also...

I've never seen eyes like that before

It's unsettling how emotion-less White Lily was in battle

It's unthinkable that White Lily would protect anyone but Peony

If he was White Lily he wouldn't have stood up for Kojiro-kun

More than anything

Shiro had emotions

A child who's had his humanity completely destroyed...

I don't think that's possible ...

White Lily has been missing for three years

Maybe his personality changed

But...

Unless he met a truly outstanding person

Would be unlikely to change

That the person a
weakened Super
Human bit would
be White Lily

It was
hasty of
us to
assume

They're
probably
still fighting
the Super
Humans

I haven't
infiltrated
the army
lately, but...

It's been three
years since he
disappeared...

And is
waging
war with
another nation...

Nobody would
imagine that the
government has
secretly mobilized
troops

Seitou
(Starlight)
is such a
peaceful
country

Trust my instincts

I've been in the army for 12 years

You were right that their home would be in the desert

Of course

That must be the entrance!!

There are cars and men heading for the mountain

!!

Commander!! Over there!

Hey!

Be careful not to get caught

Alright!! Let's report back to the General

47

They've
found
us!!

It's a
Super
Human!!

Outsiders
are so
stupid

We saw
you coming
from miles
away

That's
right

I'm Sakura
Haruzumi of
the North

Did you think I
wouldn't notice
such a large
number of men
wandering
around?

That means

You're right that we control the military

There was someone with him?

The military has found you

This is the end

What are they!?

They came out of the sand!!

Of course

Alright,
Rin'ichi

I don't want
to get sand in
my clothes

Leave it
to me,
Brother
Haruzumi!

I have
high
hopes
for you

You're the
only one I
can rely on
after what
happened
to Akito

Rin'ichi

He's more
annoying
than Akito...

At least he's
easier to
use...

Bye

He has
hope in
me!!

Thank
you!

I'll try

Right...

Hello,
Everyone

Thank you for

And you're

She's a

I see...

That's

She's popular with
other housewives

Her husband has
even become more
popular through her

She's the wife

Matsudaira
Jinpachi

She's raised

People are
jealous of
successful
people

I see...

But why does a
housewife need
a bodyguard?

"I will make

Right...

My wife wouldn't

Why would

It's just a

It doesn't

Look

I've been

as her
bodyguard

I see

Officer!!

Miyabiko-san's
speech is
about to end

!

You're
right...

There's an odd
girl in the crowd

Yes,
Madam

There
were
a lot of
people
today

Perhaps
I'll go
with you

I'm coming!

If we
keep...

Together

They're a

Officer

handsome

But
young

I don't regret
marrying a

myself

Unlike
musty

A younger

If status

wealth
didn't

Are you listening to me!?

It's about to start~

What is this!?

Where am I!?

Are you the one who kidnapped me!?

There was a girl named Saya

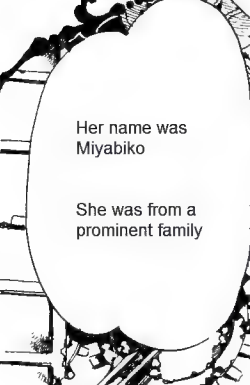

She was hard working and good natured

How tragic!!

!?

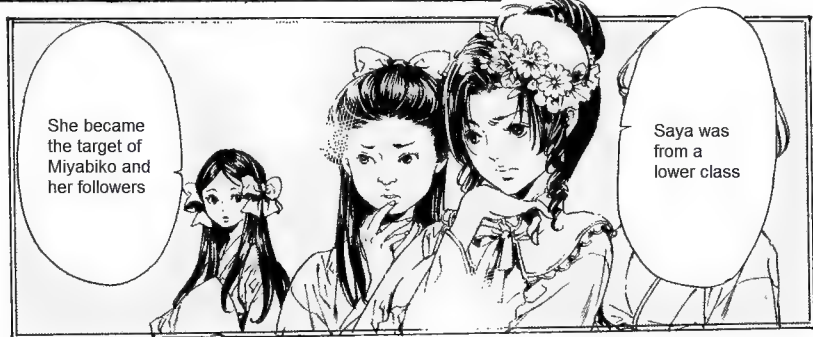

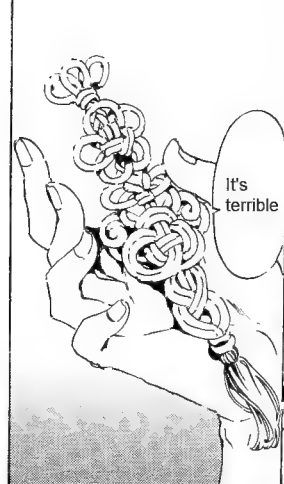

Her name was Miyabiko

She was from a prominent family

There was another girl who abused Saya

It's terrible

Did you make that, Saya-san?

Miyabiko was malicious and devious

You need to fix it

Let me undo it for you!

They tormented Saya to please Miyabiko

She let her followers do all the work

She never got her hands dirty

The night before
she was to be
married

How brutal

Her future was
stolen with her
virginity

She ran
away and
disappeared...

Saya went
crazy at
home

A decomposed
body was found
in the forest

A few
months
later

While
evil
Miyabiko

nine

Married to a
famous
politician and
admired as

housewife

How tragic!!

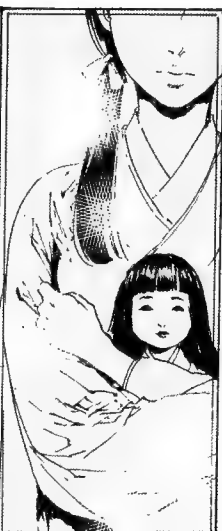

Kind Saya
is six feet

But I don't
have time
for this!!

Stop this!!

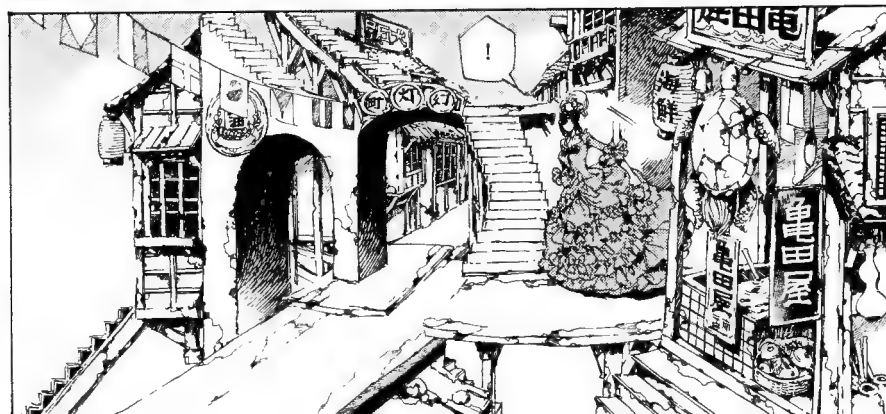

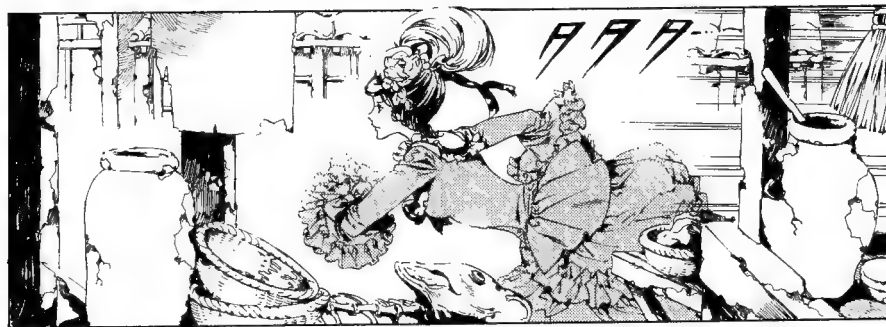

I don't know
who you are

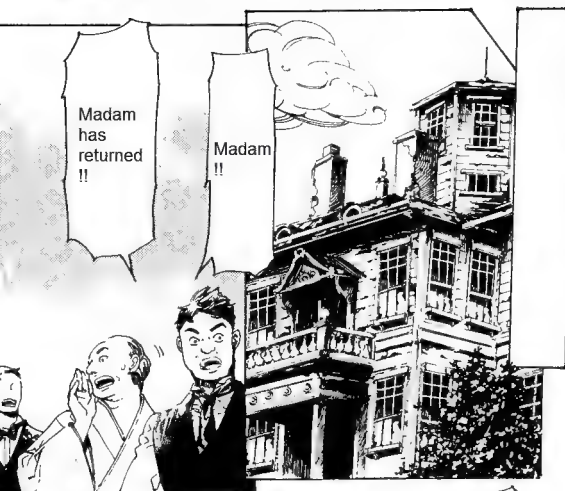

Stop...

I went for a walk...

I wanted to gather my thoughts and I lost track of time

I can't tell them the truth without telling them about Ryuko...

If you must go out, please allow me to accompany you

Please don't wander around at night!

It feels warm by his side...

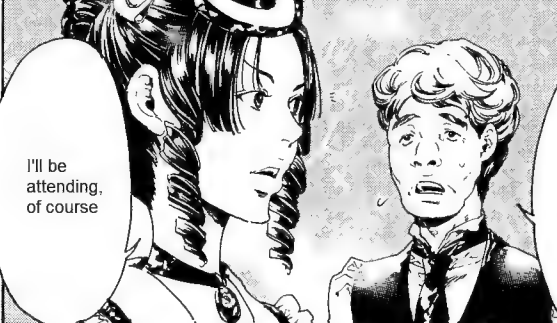

How strange...

Thank you...

If you have any problems, please let me help

Genuinely concerned...

I'll be attending, of course

Minister Owada's wife will make her debut at the party tonight

What will you do, Madam?

I'll go change

But it doesn't matter

I don't know what Ryuko is up to

Of what I did

She has no proof

I'm Owada

Reimei beautiful?

I'd like to

Reimei

Minister

She's

Her

Reimei!?

Reimei had a
traumatic experience
in the past and lost
her memories

He doesn't care about social status...

Minister Owada is a good man

It must have been hard

Reimei is her new name

Be Saya!?

She may or may not

That means...

Minister Owada is related to royalty and they've been good to us

Treat Reimei well

But they found her body

It can't be...

She has all
the power!!

My name is
Owada Reimei

Matsu
daira...
Miyabiko-
san...

What do I
do if she's
Saya!?

What do
I do!?

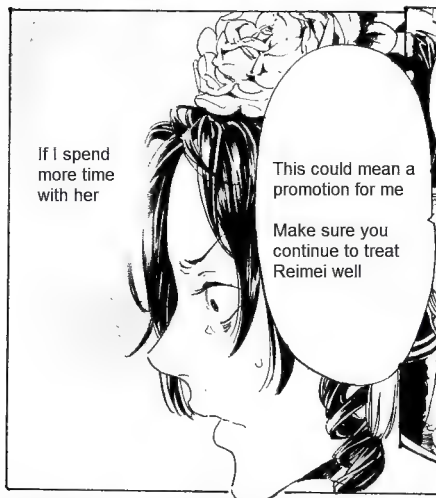

You did well,
Miyabiko

Sure...

If I spend
more time
with her

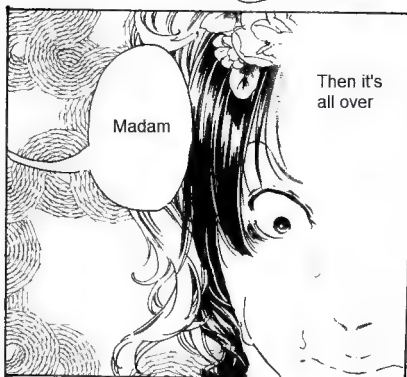

This could mean a
promotion for me

Make sure you
continue to treat
Reimei well

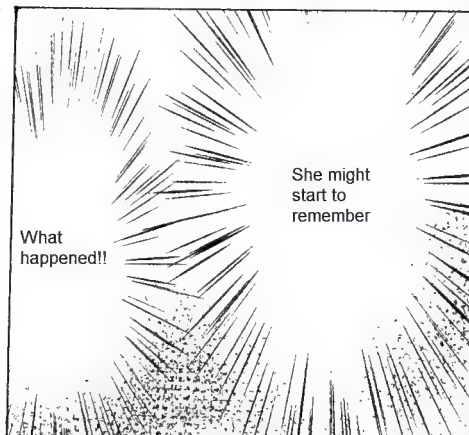

Right...

Minister Owada
would like you
to be friends
with Reimei

Madam

Then it's
all over

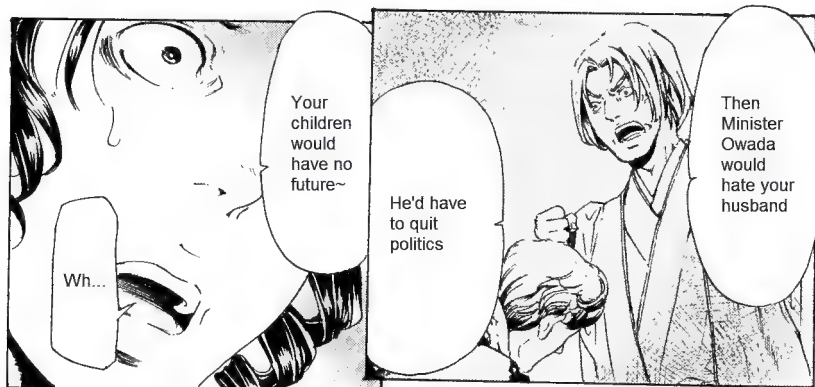

What
happened!!

She might
start to
remember

I'm
showing
you mercy
by telling
you to get
a divorce

If you leave
your husband
and children
they would be
spared the
shame of you
being a criminal

That...

Meet me at the
abandoned
theater at six in
the evening in
three days

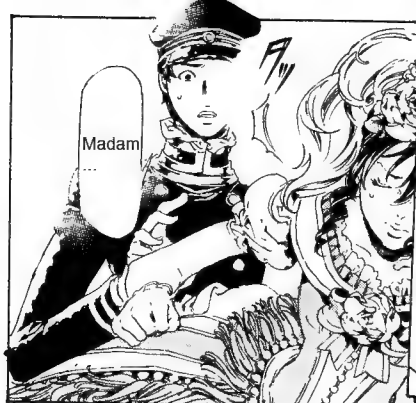

I'll give you
some time to
think about it

Is
everything
alright,
Madam?

Wait!!

Madam

...

We were
just
gossiping

You don't
need to be
concerned

You're shaking

What was that
about?

I don't want
to give up
my life

What do
I do?

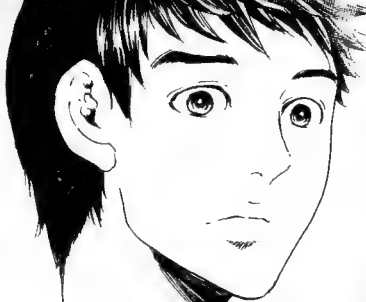

I see

She appears
to be worried

So you
don't doubt
the things
you see

Your heart
is pure

Hm?

Why aren't
you wearing
clothes under
the apron?

The
opposite
is true

If your
heart
is dark

I'm not sure I
understand...

Anyway
...

Put some clothes on with it!!

I only put the apron on because you were going to teach me how to cook...

I didn't coerce you into anything !!

You coerced me into this embarrassing situation

X

I refuse to live in disgrace...

That's more embarrassing!!

I didn't want to wear anything at all...

It wasn't
that big
a deal

Saya
took
things
too far

I can't
admit to
being a
criminal...

That's
right

I have to do
something for
the sake of
my
children...

It's her
fault this is
happening
to me!!

There's
no way a
merchant's
daughter
was a virgin

I have to
protect my
place in
society!!

Yes

Have you decided?

You're here

You need to go!!

I won't

Leave my husband and children

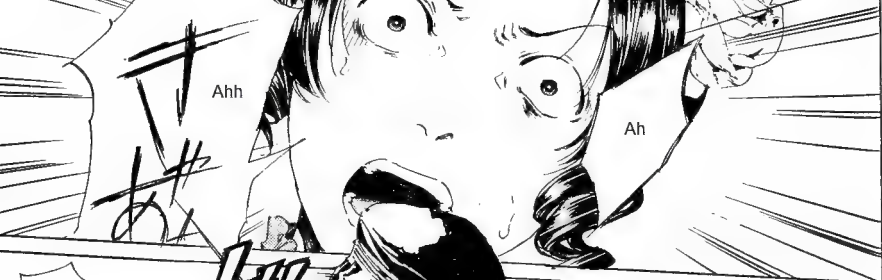

A doll!?

I followed
you just
in case

Stand
back,
Madam!!

Officer
!?

That
means...

It's being
controlled!!

There
are two
of them!?

Mimori!!

Don't
waste
the doll!!

Who is this
officer!?

How can he
go against
my doll!?

Hey!!

Retreat!!

We'll be back!!

Officer...

Their jumping ability...

Why did they attack you?

How do you know them!?

Are you alright, Madam!?

It's never hurt this much before

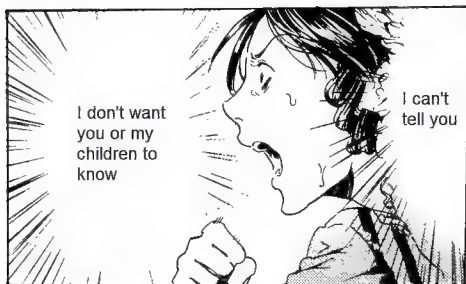

That's out of the question with my reputation at stake

I've never met
such a good
person before

I don't want
you or my
children to
know

I can't
tell you

No!
It's fine!!

Everything will be
back to normal

The people
threatening
me are
gone now

What?

Her problem won't go away so easily

If she's hiding a dark past

That's how it is...

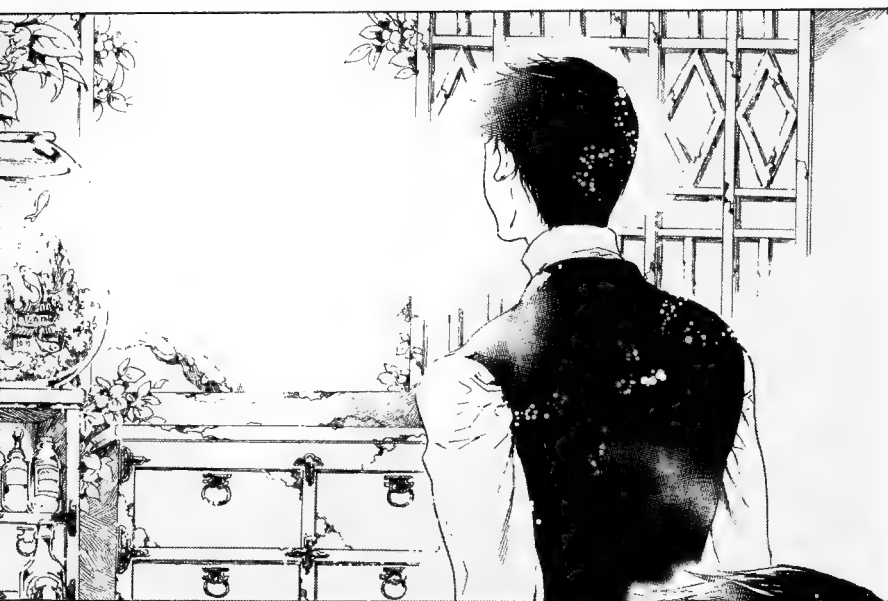

I get the feeling

I can't imagine

Shiro-kun has seen things

話

Hello,
Miyabiko-
san

I'm sorry for
stopping by
suddenly

It's nice of
you to come

Please,
this way

Thank
you

I was
in the
neighbor
hood

Reimei-
san...

You've
come
to visit

That
she is
Saya!?

Could
it be

.....
!!

Or even

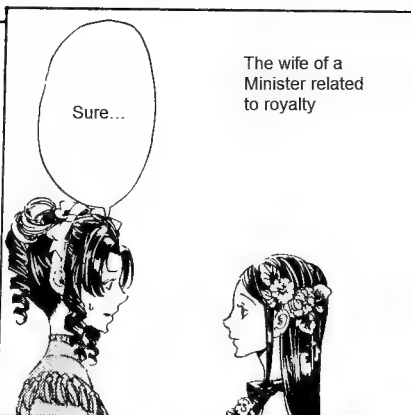

That...

Lose her
memories?

She
didn't

She's
doing it to
get close
to me...

She's
pretending
to have
forgotten

Why is she
trying to get
close to me?

Why is she
doing this?

That's
right

Saya
had a
mole
behind
her ear

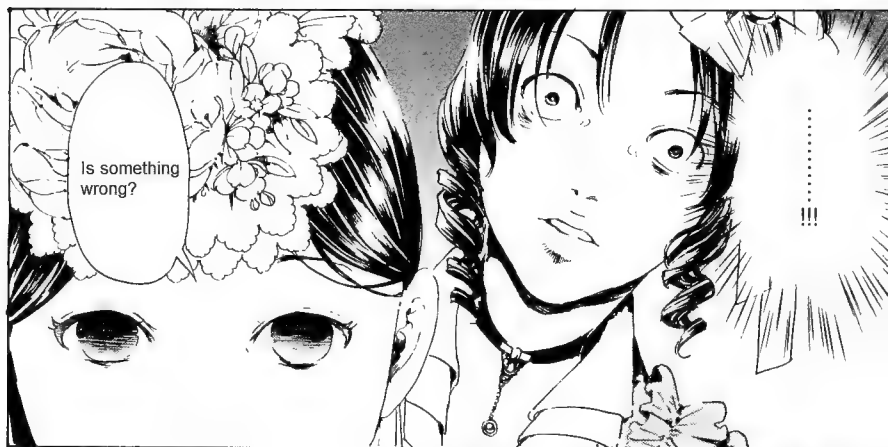

There must
be some
proof

Is she
Saya
after all?

Your
necklace
is twisted

I'll just
check
her ear!!

I have
no idea
what
you're
talking
about

What
are you
saying?

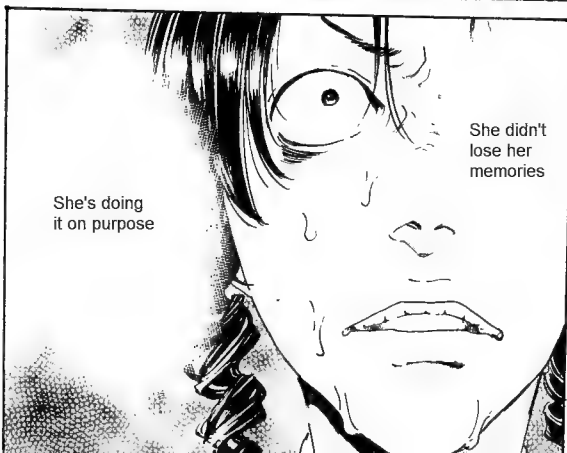

Are you
alright?

You don't
look well

Is everything
alright?

You're
acting
strange

She's doing
it on purpose

She didn't
lose her
memories

Are you
alright?

To look down
at others from
a safe spot up
above

I know
what it's
like

She
wants
revenge

She's
going to
kill me

She's
here to
kill me

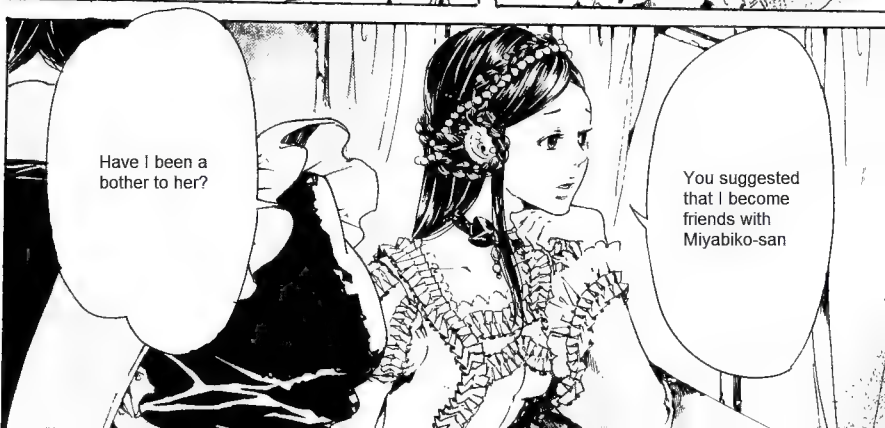

I'm
going
to be
killed

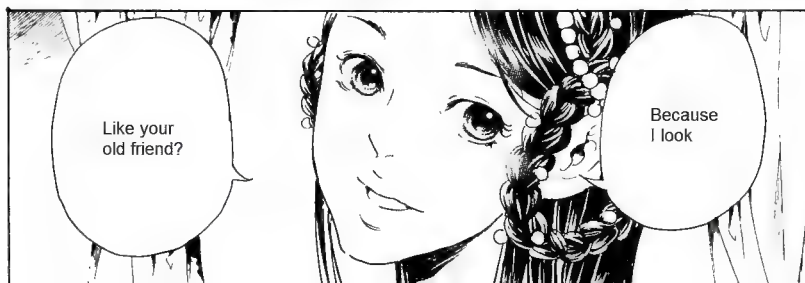

Ahhh

Help me

My
only
friend

Saya
was

I was
bullied

Yes

I realized that I
could use you
in my revenge
against Miyabiko

When I
met you

Reimei-
sama

I met
some
poor
girls

I befriended
them

But with
a new
hairstyle
you look
just like
her

You look
a lot like
Saya

Your
eyes and
cheeks
are a little
different

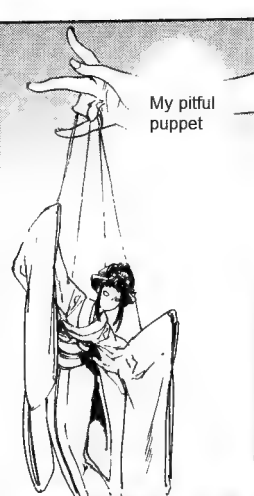

That you
might be
Saya

I only
wanted
her to
think

I told them
my story

I asked
for their
help

My pitiful
puppet

Once I
planted
the
thought

She
became

That's
unforgiv-
able

I didn't
know
those
girls
would
take it
so far

We'll
teach
her a
lesson

So she sees
darkness in
everything

Miyabiko has
a dark heart

With a little
work I was
able to use
you to
deceive her

How
about we
try a new
hairstyle
for you?

Let's draw a
mole behind
your ear

They say it's
good luck

But she
deceived
people

I've been
practicing
the plaited
cord you
taught me

Stupid
woman

You're
obviously
not Saya

I even
gave
her
time

Meet me in
three days

They say eyes
are the windows
to the soul

So she expected
to be deceived

Someone
even
offered to
help her
make
amends

I'll help
you

And she
drove
herself
crazy

But she saw
darkness in
everything

My revenge
is complete

Please
tell me!!

It was
Miyabiko-san,
wasn't it!?

I'll
never
forget
the day
before
Saya
disapp
eared

I knew
it was
Miyabiko

But I didn't
try to do
anything
about it

With
myself

I was
angry

Because
she had
helped
me...

Even
though
they
only
started
to bully
her

To help
Saya
when
they
bullied
her

Like I
couldn't
bring
myself

I'm a
horrible
person

I was afraid that
they would bully
me again...

I didn't
do it
for her

It wasn't
even what
Saya
wanted

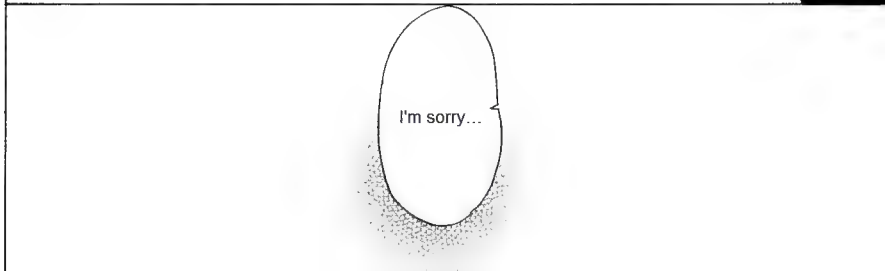

I thought
I could
finally get
revenge
when I
met you

I did it for
myself

Saya...

I'm sorry...

And I'm
Mimori!!

We're from
the South's
Girls Troop

I'm Rarako!!

I haven't
seen that
uniform in
a while

The
South's
Girls
Troop...

It's been
a long
time...

We're
here under
orders from
Anni-sama
to bring you
back!

When I
heard about
the moving
doll...

I guessed
that Brother
had sent the
Girls Troop

The red
sailor
uniform
is a
maiden's
pride!!

But it
stands out
so we had
to wear
cloaks!!

It's your
fault, Rarako

You got lost
and dropped
our wallet

You threw off
our plans!!

You mean
you knew
we were
here?

That's
unexpected

You know
that officer?

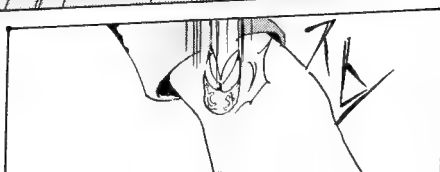

At least we met a
nice girl who let
us stay with her

You got
lost, too!!

Delayed our plans

But now

Shiro-
sama

We're
bringing
you back
with us

We've
increased
our speed
to catch
you

Don't
under
estimate
us!!

The
South's
Girls
Troop
battle
dolls...

Are you
going to
bring me
back by
force?

We're only
carrying the
minimum in
weapons

We've
made
ourselves
lighter

I'm not that excited...

Right!!

He's supposed to be different from other men!!

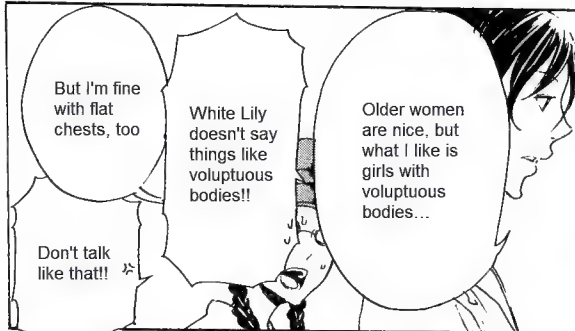

He's the fickle beauty known as White Lily!!

White Lily is saying trashy things with a trashy look!!

Perhaps because you haven't grown?

In certain places...

But I'm fine with flat chests, too

White Lily doesn't say things like voluptuous bodies!!

Older women are nice, but what I like is girls with voluptuous bodies...

You're so mean!!

You like older women!!

Don't talk like that!!

You exaggerate

"Nobody will marry me"...

What do I do?

If he sees up my skirt nobody will marry me!!

Are you leaving?

You'll regret this!!

I hate you!!

Say that

The Leader is waiting...

Leader

Everyone
is gone

.....

You can
come
out now

Thank you,
Chidori...

You must be
tired from
pretending
to be me...

An ugly
leader...

I'm sorry...

Nobody
wants to
follow

You look
tired...

I'm fine,
Leader

I didn't know she was waiting for me...

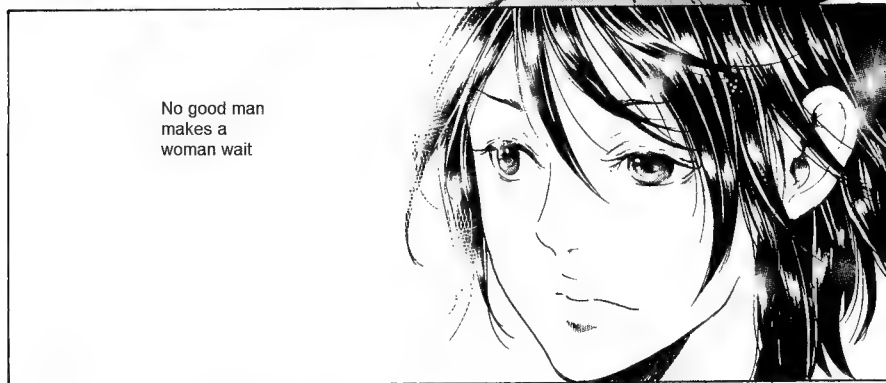

And

I'm
putting
them in
danger

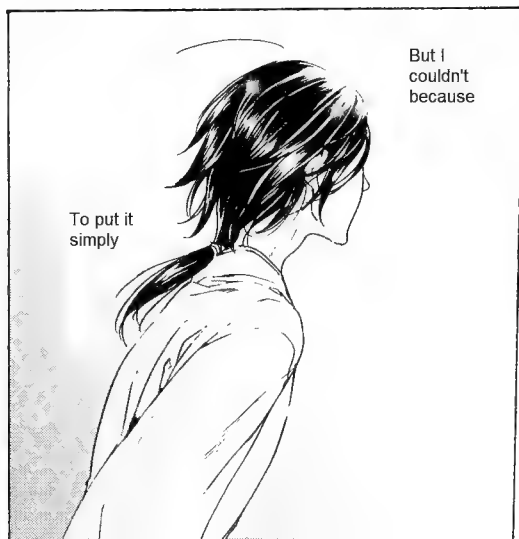

Brother
even sent
subordinates
to bring me
back

Things
are
getting
serious...

No good man
makes a
woman wait

To put it
simply

But I
couldn't
because

A lot has
happened

I should
have done
this sooner

I didn't want to part with you

Goodbye

Officer

He's been sending a lot of things lately

It's annoying

Oh?

It's from Brother ...

Package for Yoshiwara-san

Scanned by devilstcastescans / Translated by adekanfan

Shiro,

How are you?

I spend every night riding and getting ridden

Let's see...

What!?

A loin cloth!?

There's a letter

Gross

He ripped it!!

It is gross...

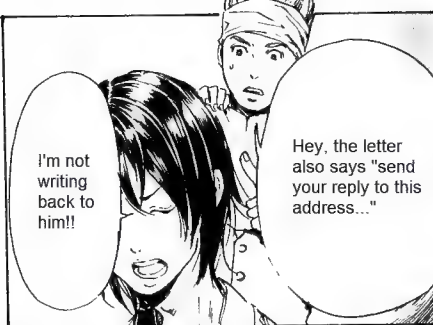

So I've made one for you

It's name is Lointaro

I don't think that's right

I believe you still don't wear a loincloth

You'd just
spill out
instead

That's not
sexy!!

The
loincloth
can hang
out in all
its glory!!

When you
spread
your legs!!

That
position
isn't
sexy...

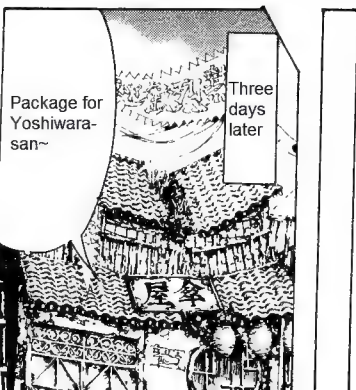

We won't
ask then...

I want to
wipe the
reason
from my
memories

It looks
like some
plants

It's from
Brother
again...

write him
back...

His request
for a reply is
so annoying!!

He's
acting
like a
little girl!!

To Shiro,
It's gotten
cold recently

And you get
cold easily

But you're
always
naked

So I made
something
for you

How annoy-
ing!!

Package for

It's from

Yeah...

Annoying!!

Also, it's not like
I want a reply

It's not like I'm
lonely

take your

Hello

I'm Wakabayashi

I'm not
cheap

I'm sorry

Sure

If you let us
take your
picture

Where do
you want
me!?

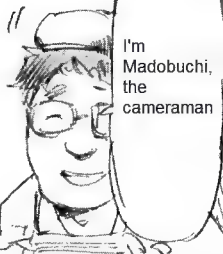

I'll let you
experience
something
amazing

Could we
get you in
a natural
pose?

Hello

I'm
Madobuchi,
the
cameraman

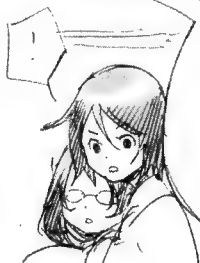

Isn't this better
than a picture
of just me?

Ah

That
would be
with a girl

You're so
forward

Ahaha!!

What good
are pictures of
a skinny brat?

Wh...

What an
excellent male
specimen!!

Brother!!

If you
want
pictures

But Shiro-kun
is so cute~

What to do?

There's
a better
man right
here

What are you
doing here!?

I came to
see you
and I find a
woman with
big boobs

What!?

I'm obviously
better than him

At amazing
things, too

Oh?

He can't put
on any muscle

He even tried
lifting weights

Ahaha

You even
can't tell if
that skinny
brat is a boy
or a girl

He wanted
to become
muscular

I not only
have a good
face, but also
a nice body

Check out
my six pack

Just
take
a look

Even so I'm still
better than him at it

He's done it with so
many people

He got an infection

What!?

That was a
long time
ago!!

What!?

I was more
popular than
him!!

I'm so much
better than
him at it!!

It's gone now!!

It's a miracle that
someone as popular
as me has only
gotten infected once!!

I'm way better than
him at it!!

That's right!

Please stop shouting about d*cks!!

What!?

You don't know what my d*ck can do

What!?

It's not that much bigger!!

You're only popular because half your partners are men

I'm more popular with girls

What are you talking about!?

My d*ck is bigger and my technique is better and I'm more popular

All the girls go wild!!

I need it now

Hurry up and do it

It doesn't matter...

I'm confused
Whose d*ck is better?

That's your concern!?

Ah

You could get lost in those...

Those boobs are outrageous...

My shoulders hurt~

A man
knows
that less
is more!!

That looks
even more
perverted!!

I'll be
your
model!!

I'll take it
all off

You're
just being
a pervert!!

That's
not
fair!!

Like
this?

That's
great!!

Could you
get closer?

I don't
want to...

That's
great!!

Could you
hold him?

Ah
You
brushed
my
boob

Of course

You're going to reward us well for this, right?

Yes...

That's great!!
